

**You are invited to the
19th Annual PCA Foundation Seminar**

Tuesday, April 22, 2008
Wicomico Civic Center DaNang Room
Salisbury, Maryland

- 9:30-10 a.m. **Registration** (Pre-register below for a chance to win one of three Heritage Poodle Statues.)
- 10-10:30 a.m. **Introduction and Foundation News** – Tom Carneal, Chairman, PCA Foundation
- 10:30-Noon **Achieving the Breedings We Want** -- Beverly Purswell, D.V.M., Ph.D., will bring us up-to-date on the technology and knowledge available today to help us achieve the breedings we want as we move forward in our breeding programs. Dr. Purswell is Professor of Theriogenology (reproductive medicine) at the Virginia-Maryland Regional College of Veterinary Medicine and has more than 25 years of experience in the field. She enjoys working with breeders and looks forward to sharing her expertise and answering your questions.
- 1:00-3 p.m. **Building a Breeding Line** -- Panel Discussion with Brad Odagiri, Bradlene Toy Poodles; Barbara Furbush, Bevanton Miniature Poodles; Joan McFadden, Unique Standard Poodles.
Moderator: Tom Carneal

For those who cannot attend, seminar highlights will be published in PCA's newsletter, The Poodle Papers.

Genetic Testing Offered at the Wicomico Civic Center during PCA Week

- NIH blood draw for research on toe cancer in black Standard Poodles, first floor 4/21-22
- University of Missouri Neonatal Encephalopathy testing and collection of DNA samples for future research efforts, first floor 4/22-23
- Texas A&M heart screening for atrial septal defect (\$125), third floor 4/22-23
- Optigen PRA and VetGen vWD testing, dates pending (Check back for update.)
- AKC DNA kits available throughout the week

Seminar pre-registration for a chance to win a donated Heritage Poodle Statue: Complete and send to Pat Forsyth, 19924 N.W. Gillihan Rd., Portland, OR 97231 or e-mail your info to patforsyth@aol.com.
